COMPANY OVERVIEW

GLOBAL CLAIMS SERVICES

vrs Adjusters offers loss adjusting and claims management services to global risk management and insurance markets, with over **450 offices** in more than **140 countries**.

Every hour of every day, insurers, reinsurers, captives and corporates rely on vrs Adjusters' member firms to enable them to deliver their own client promises.

vrs Adjusters' members are independent claims service providers with long traditions of excellence in their home territories and leaders in their respective claims handling markets. Professionals have a deep understanding of their local territories and of the finer cultural nuances that make all the difference to achieving a well-resolved claim.

Highly experienced loss adjusters and technical staff provide client-focused, local claims services across all lines of the insurance business, managing over 300 major global corporate programmes and thousands of single territory corporate programmes around the world. Their proficiency and high quality standards enable greater control of the mitigation process and the ability to minimise the total cost of the loss.

GLOBAL BEST PRACTICE

Quality control is the cornerstone of our philosophy and our approach to claims.

We continually enhance our technical, operational and best practice principles to provide optimal value to our clients.

Diligent account management and rigorous coordination ensure the right skills are applied to any situation without compromising quality or standards.

Clients of vrs Adjusters' member firms can always expect:

- Global best practice principles applied at all times – both technical and account management
- Professional, consistent, tailor-made and cost-effective loss adjusting and claims management solutions around the world
- Full compliance with local laws and customs to facilitate fair and timely settlement of claims

GLOBAL STRENGTH, LOCAL LEADERSHIP

The multinational leadership of vrs Adjusters reflects the deep respect we hold for local cultures. The regional directors are responsible for ensuring compliance with our licensing requirements and maintaining consistency of excellence throughout the organization.
