

## **vrs Adjusters has a new Partner in the UK and Ireland: QuestGates Limited**

30<sup>th</sup> October 2018 – **vrs Adjusters** announces today the admission of the new partner **QuestGates Limited**, a UK leading independent specialist loss adjuster. **QuestGates will represent vrs Adjusters in the UK and Ireland**. The company operates from 14 offices across the UK and is headquartered in Birmingham.

QuestGates has an award winning reputation for innovation and for providing high quality technical loss adjusting services, predominantly in property, liability, motor, environmental, subsidence and counter fraud. **QuestGates** also offers specialist loss adjusting and risk management advice on an international basis for the entertainment, advertising and motor sport industries through its subsidiary Hyperion.

“We are proud to welcome our new partner, who allows us to be present in one of the most strategic Insurance hubs in the world, where a very high number of Global Insurance Programs are incepted”, states **Tancredi Stagnara, President of vrs Adjusters**. “Our Organization is present anywhere in the world and our experts are highly regarded for their experience and expertise. Welcoming QuestGates in vrs Adjusters is a pleasure and an honour at the same time. We continue to grow in competence, enthusiasm and passion: it is the keystone to our success”.

“**vrs Adjusters** members share the same strategic principles as **QuestGates** – namely an owner managed structure and focus on specialist claims – and we are therefore delighted to be joining their global organization as the UK and Ireland representative”, says **Chris Hall, Managing Director of QuestGates**.

Over the last 16 years, vrs Adjusters has grown significantly, becoming one of the leading global loss adjuster and claims management providers to the international corporate and complex claims market through a wider Global Reach-Local Expertise.

**vrs Adjusters** is the global organization of loss adjusting companies specialized in corporate and commercial insurance claims, which operates in more than 140 countries with over 300 offices and 2,500 staff, generating annual revenue in excess of €250M. The multinational leadership reflects the deep respect for local cultures and the professionalism of the practitioners enables the organization to provide the highest possible service.

### **About vrs Adjusters**

*vrs Adjusters offers loss adjusting and claims management services to global risk management and insurance markets, with over 300 offices in more than 140 countries. vrs Adjusters' members are independent claims service providers with long traditions of excellence in their home territories and leaders in their respective claims handling markets. Professionals have a deep understanding of their local territories and of the finer cultural nuances that make all the difference to achieving a well-resolved claim. Highly experienced loss adjusters and technical staff provide client-focused, local claims services across all lines of the insurance business, managing hundreds of major global corporate programs and thousands of single territory corporate programs around the world. Their proficiency and high quality standards enable greater control of the mitigation process and the ability to minimize the total cost of the loss.*
