

vrs Adjusters has a new Partner in the US: Engle Martin & Associates

20th November 2018 – **vrs Adjusters announces today the admission of the new partner Engle Martin & Associates**, a leading national independent loss adjusting and claims management provider **in the US**. The company, founded in 1997, operates with 70 offices and 650+ employees and is based in Atlanta, Georgia.

Engle Martin & Associates offers loss adjusting services in the areas of commercial property, inland marine/cargo, commercial liability, construction/builders' risks, and power & energy. Additionally, they provide third-party administrator (TPA) services for property, inland marine, casualty, and transportation claims. The company aims to deliver the best insurance claim adjustment results in the industry, present the most talented personnel, foster an innovative and professional leadership team, and develop client-focused technology. They are equipped to efficiently handle daily claims, in addition to losses resulting from a catastrophic event.

"We welcome our new partner, **Engle Martin & Associates**, one of the most influential companies in our sector in the US", states **Tancrède Stagnara, President of vrs Adjusters**.

"Our organization is present anywhere in the world and we continue to grow meeting the ever-changing demands of the insurance industry by delivering a comprehensive offer of quality claims services".

"The **Engle Martin** family is very excited to join **vrs Adjusters**. For us, this partnership is the next logical step forward in enhancing our ability to provide our clients with a truly global solution. Our goal is to positively impact the lives of those we touch and it is clear that we are aligned with firms that share that commitment," shared **Stephen Beene, President of Engle Martin & Associates**.

vrs Adjusters is the global organization of loss adjusting companies specialized in corporate and commercial insurance claims, which operates in more than **140 countries** with over **300 offices** and **2,500 staff**, generating annual **revenue in excess of €250M**. The multinational leadership reflects the deep respect for local cultures and the professionalism of the practitioners enables the organization to provide the highest possible service.

About vrs Adjusters

vrs Adjusters offers loss adjusting and claims management services to global risk management and insurance markets, with over 300 offices in more than 140 countries. vrs Adjusters' members are independent claims service providers with long traditions of excellence in their home territories and leaders in their respective claims handling markets. Professionals have a deep understanding of their local territories and of the finer cultural nuances that make all the difference to achieving a well-resolved claim. Highly experienced loss adjusters and technical staff provide client-focused, local claims services across all lines of the insurance business, managing hundreds of major global corporate programs and thousands of single territory corporate programs around the world. Their proficiency and high quality standards enable greater control of the mitigation process and the ability to minimize the total cost of the loss.
